“ I was so sorry to hear of Fred's passing. He was such a dear, dear man who gave so much to everyone he touched with just his presence. He was so generous of his time and so warm and loving to everyone. I will really miss him. I send my deepest condolences to Betty and their family. I hope that all your loving memories of Fred comfort you during this time. I know that he's still with you all in spirit. Love, Michelle McLane (former Unity of Medina member)

“ Fred was a treasured brother-in-law. He was always so easy to smile, conversational and genuinely interested in hearing about each family member and their businesses. I last saw him in October when he came to my house with my sister to deliver large pots of mums that I had ordered. We will all miss him dearly!

“ He would give you the shirt off his back, the keys to his car, and the food in his fridge if he thought it would help. And he did all three for my family on more than one occasion. Thanks for the encouraging words and kindness you have always shown me.

“ My last memory of him was rather pleasant, it was him standing behind the glass door at his house waving at me and Julie as we drove away, after getting lunch and then dropping him off. I purposely chose to leave that as my last memory of him.
