“ So sorry to hear about my dear uncle Glen. Him, Eleanor and family were always good to my mom and dad, Eleanor and earl richeson. And all of us crazy kids. Not long ago uncle Glen sent me a copy of my grandparents that I never knew. I have it sitting on my desk. I was so appreciative of that as I never knew. I will never forget him and aunt Eleanor. My prayers go out to all the family. May he rest in peace. Pat richeson foley.
