I will never forget having our singing and dance parties while Mike sang Under the Boardwalk to Rose. Smiles all around! Thank you for allowing me to get to know a man who had a huge heart and one of the most positive attitudes I have ever known.

“ Please except my condolences to the Singleton family. I worked with Mike in the capacity of the independent accountant with the firm of EisnerAmper LLP during Mike's employment as CEO of Computer Data Source. On behalf of myself and everyone at my firm who had worked with Mike for over 10 years I would like to say that we enjoyed working with Mike. He was always very professional, ethical and pleasant to work with. I also considered Mike a friend and I know he made the world a better place just from some of the conversations I had with him. I know he will be missed by many. We will pray for Mike and the Singleton family during this difficult time.

“It's a Beautiful Morning" By the Rascals "It's a beautiful mornin', Ahhh, I think I'll go outside a while, An jus' smile. Just take in some clean fresh air, boy! Ain't no sense in stayin' inside If the weather's fine an' you got the time. It's your chance to wake up and plan another brand new day. Either way, It's a beautiful mornin', Ahhh, Each bird keeps singin' his own song. So long! I've got to be on my way, now. Ain't no fun just hangin' around, I've got to cover ground, you couldn't keep me down. It just ain't no good if the sun shines When you're still inside, Shouldn't hide, still inside, shouldn't hide There will be children with robins and flowers; Sunshine caresses each new waking hour. Seems to me that the people keep seeing More and more each day, gotta say, lead the way..." No one could keep Mike down. I only knew him in his final days, but the energy, love and enthusiasm for life he exuberated is beyond words. Mike was truly inspirational, and I will never forget his courage. He sang this song one morning when the sun was shining through his window, and every time I hear it, I will think of Mike and his love for life. Rose, may God be with you and your family during this difficult time; And just know that Mike is waiting in the sunshine... singing with the angels, 'under the boardwalk, down by the sea."
